

ACTION TAKEN

We do some exercise as per last academic year. Because we are not autonomous body so we cannot have our own syllabus. It is prepared by the respective university.

Though we have taken following action to enrich the syllabus.

1. Feedback forms collected from students were analyzed properly.
2. Enhance the ability of library. We have provided reference books, magazines to the students.
3. Various workshop and student enrichment program organized by the intuition level.
4. Our principal shows the analysis report to each faculty after that teacher made some suggestions to BOS members of the respective subject for the modification in the syllabus of their respective subjects.
5. Some faculty of our institute are the part of syllabus enhancement committee in university (BOS) in their respective subject, they gave necessary suggestion regarding student need in present scenario at BOS committee.
6. We provided facilities to the students so that they can easily get their materials from various sources. We also provided internet facility for the students in the campus.
